

NAF Needs Assessment Visit Day 1: Visioning

Take yourself to a time 20 years from now. You have just run into a former student of the Academy, class of 2010. He/she begins to talk to you about his/her experience in the Academy, how it has contributed to his/her current job, character and decisions.

- What is this student doing now?
- What is his/her greatest accomplishment so far in life?
- What are his/her goals and aspirations?

What does this former student say to you about:

- The Academy Community
- The Teachers
- The greater business community
- Their courses
